# KUDO for Microsoft Teams

.....

Participants'  
Waiting Slides

## Need interpretation?

- 1 Click on the KUDO icon on the top bar of the meeting window to open the KUDO panel.
- 2 You can then select your preferred language from the dropdown.

Please help the interpreters.  
Wear a headset.

In Teams, you must always keep the KUDO side bar open to hear interpretation during the whole meeting

What if you close the KUDO panel or open another panel like 'Chat'?

You won't hear the interpretation neither the incoming audio

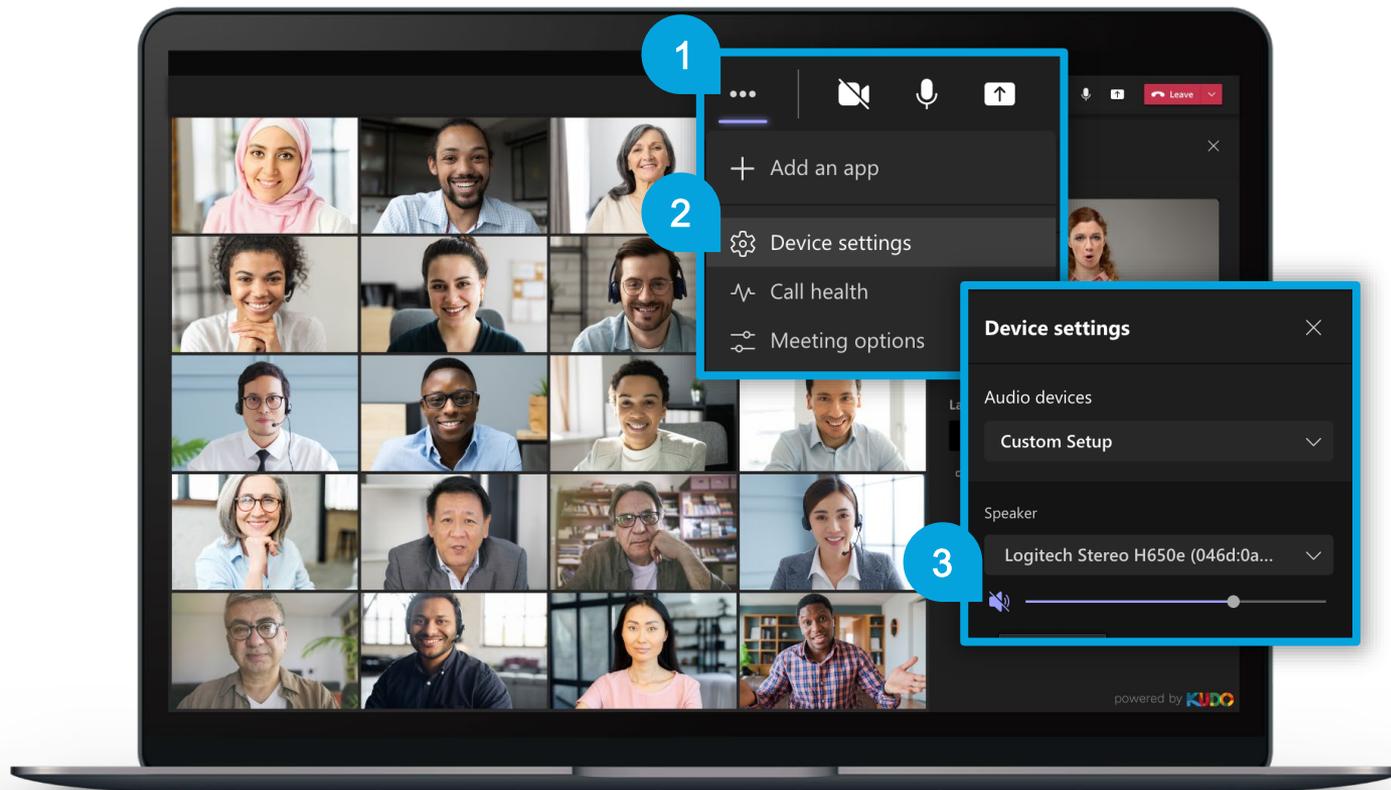

If that happens:

- Repeat Step **1** and **2**

How do I bring back the original audio if the KUDO panel is closed?

- 1 Go on the 3 dots
- 2 Device settings
- 3 Unmute Speaker

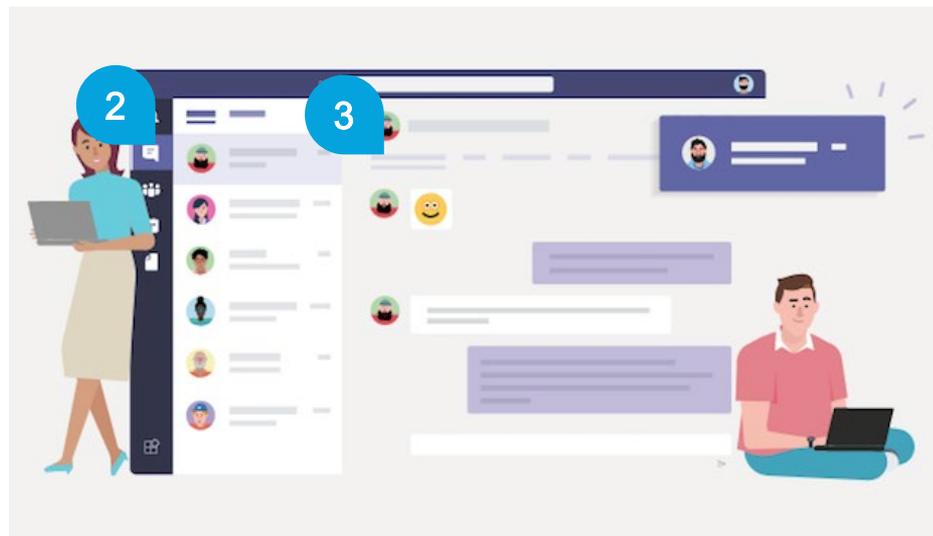

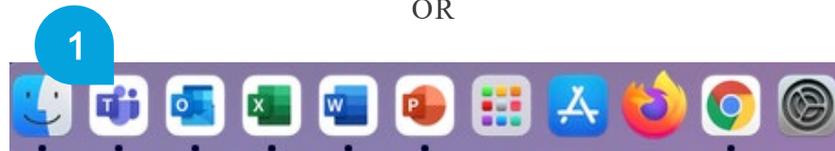

## Where can I chat?

- 1 Click the Microsoft Teams icon in the Task (Windows) or Dock (Mac), and open Teams' main window
- 2 Click on the chat/open the meeting from calendar.
- 3 Start messaging, check other attendees, files etc.

OR

Please refrain from renaming or removing the KUDO app during the meeting

Any of these actions will apply to all participants in the meeting.
